

## ***November 2 Priority Registration Rescheduled!***

As you may know, spring semester priority registration was scheduled to begin today, Monday, November 2. However, unforeseen network issues halted registration at all MnSCU campuses. At the time of this notice, MnSCU technical services staff have not resolved these issues, but we believe they will find a solution today. Based on this belief, we have decided to modify the priority registration schedule by one day to ensure students are given their appropriate registration priority. Students can refer to the schedule below or consult eServices for their new registration time assignments.

**Priority registration will begin on Tuesday, November 3.  
The modified schedule appears below.**
